Restaurant

Available for daily meals. 🍲

Meals prepared under the supervision of nutritionists. 🍲

Focus on energy supply and support for recovery. 🔄

A location with magnificent views of the slopes. 👁️

Sports Clinic

-  A consultation area equipped to handle any injury or problem that may arise.
-  Partnership with two local clinics to provide the best medical care.

Study and Meeting Rooms

- Study room designated for academic work. 
- Open room available for academic purposes. 
- Video room available for the specific analysis of athletes. 

Residence

-  Room with a single or double bed, bathroom, air conditioning, television, and closet included.
-  Cleaning and laundry service.
-  A quiet, supervised environment that promotes adequate rest and recovery between training sessions.

Game Room

Recreation room with sofas, a TV, and pool and ping-pong tables. 

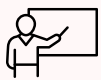

An environment that encourages interaction among players from different backgrounds, which strengthens communication and team culture. 

This area allows players to recharge their energy in a positive, supervised environment 

GYM

Equipped with fitness machines and technology.

Assistance from a fitness trainer for personalized workout routines in the event that medical care is required.

Developing strength and power to prevent injuries and improve muscular balance.

Pool

Located next to the natural grass field, it is used for recreation and relaxation. 

The pool area allows for low-impact recovery activities and complements the physical demands of daily soccer training. 

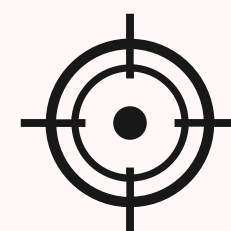

FOOTBALL PROGRAM
